The New Rochelle Public Library is one of 35 libraries in New York State to receive funding to become a Public Computer Center (PCC) - broadbandexpress@yourlibrary, an initiative made possible by the New York State Library, a unit of the Office of Cultural Education within the New York State Education Department (NYSED), which was awarded a grant from the U.S. Department of Commerce National Telecommunications and Information Administration (NTIA) to expand computer access in public libraries across New York State. The funding is being provided through the American Reinvestment and Recovery Act (ARRA) Broadband Technology Opportunities Program (BTOP).
